Partners

Our partnerships make the day more accessible for more of our community.

Microsoft UK have been our partners since the 1st national unconference in 2015. We are most grateful to them for sponsoring all of the catering for the 3rd unconference. We are also very excited to launch a new collaborative strategy to support and empower women with Digital leadership – more details on 30th September. You can also explore aspects of this at the 3 workshops led by Kristy Griffin:

Using Office365 to lead in education

How Microsoft technologies in Office365 for Education can redefine staff collaboration and empower leaders to create the world of tomorrow. We will introduce Microsoft Teams and share how, through a digital hub, leaders can create collaborative professional learning communities, bringing conversations, content, and apps together, all from a single experience in Office365 for Education.

Sheffield Hallam University, Institute of Education

Sheffield Hallam are hosting us, facilitated by Sam Twiselton. We are very grateful for the generous use of this fabulous venue.

Thank you to the TES Institute team for sponsoring the free creche.

WomenEd and Sheffield Hallam University cannot take any responsibility for any belongings lost on the day.
