

#WomenEd Regional Networks session – Framework for Regional Leads

(Please take notes of the points covered in the session to develop your actions for the forthcoming year)

Items to cover in the regional networks

- Welcome
- Introductions
- Introduce delegates to #WomenEd's mission and principles known as the 8C's (see below) and explain the purpose and role of regional networks and regional leads
- Share what has already taken place in your region as part of #WomenEd over the past year (2015-2016).
- Find out what other activities have taken place or are planned in your region to empower women in education to take their next leadership step. Could other partners and existing networks be further developed as part of #WomenEd to strengthen support for women across your region?
- Share what has already been planned for your region to take place over the next year (2016-2017)?
- Future planning: Use the following questions to help plan next steps for your regional network for the next year
 - ❖ What do delegates want from your regional network?
 - ❖ What are the needs in your region?
 - ❖ What existing resources and expertise can we draw upon to build your regional network?
 - ❖ What do delegates want to contribute to your regional network?
- Next step or meeting?

Our Mission

To empower more women in education to take their next leadership step.

Our Principles (The 8 C's)

Clarity	Acknowledge the gender imbalance in education leadership
Communication	Actively seek to promote the WomenEd mission
Connection	Connect existing and aspiring leaders and those who support them
Community	Create an inclusive and interactive community
Collaboration	Enhance collaboration and sharing of experience
Challenge	Highlight systemic barriers to more inclusive and diverse leadership
Change	Collate evidence of impact on developing inclusive/ diverse leadership
Confidence	Take new opportunities and be #10percentbraver.
